

FILLING THE FUNDING GAPS

HELPING YOU CLOSE MORE LOANS

We haven't met a bank development officer yet who wouldn't like a higher loan close rate. You know the equation that adds up in today's lending environment: increased liquidity creates better borrowing strength, which leads to a higher loan acceptance and close rates. It's a win-win: You achieve your business goals when you help your clients do the same.

ACCESS TO RETIREMENT FUNDS WITH NO PENALTIES, NO TAX AND NO LOOPHOLES

YOUR BORROWER CAN INCREASE LIQUIDITY
to better qualify for loan to:

START A BUSINESS

BUY A BUSINESS

EXPAND A BUSINESS

As specialists in governmentally approved self-directed 401(k) financing, we work with individuals every day who have retirement funds that they're ready to invest in a new business opportunity, but they just don't know how to get started. Directed Equity uses the proprietary directINVEST model to transform that fear into financial freedom, customizing each entrepreneur's financing plan. Our attorneys, CPAs and financing experts guide franchisee candidates through the intricacies of establishing a plan, unlocking funds, tax and retirement considerations, wealth accumulation, and the employee-retention benefits of the directINVEST program.
